**January Program: Silk Painting demonstration by Suzanne Visor
Facilitated by Sue Pine
Sunday, January 21, 2-4 pm
OFFCenter Community Arts
808 Park Avenue SW**

Suzanne's specialty is painting on silk, creating both wearable and wallable art with dyes and brushes.

After the demo, attending members can try their hand at working on a silk collaboration. In regard to what they will need, each attendee needs to bring and use one or two of their favorite brushes which should give each person the best results. She will not be providing brushes and Off Centers' brushes are marginal. *(Image: The Source, Suzanne Visor, painting on silk)*
