WOMEN MAKING ART SINCE 1990

ARTspiration

Marian Berg is in the landscape exhibit, "Far and Wide" at the NM Art League which runs from January 22 to February 22. The reception is on February 1st from 4 to 6 pm.

Carol Adamec was featured at The Memphis Botanic Garden with "In a Japanese Garden". Nice to see her settled into her new home and creating. Image Page 3.

Denise Kunz is featured artist at Ghostwolf Gallery in Old Town through February 3. Denise has made New Mexico her home since 1991 and has explored it extensively. Having sidelined art for career she found it took the pandemic to bring her back to her beloved open spaces. She says "During lock-down I would pack my car with gessoed paper, paints, and food, and head out on the road back to the quietness, the comfort of soft sounds, and the sweetness of the air and lying flat on my back in the dirt." Her love of these spaces shines through in her work. Image below.
